

Dear Parents:

Firstly, you have most probably heard of One Conference but don't actually know what it is...?

What is One Conference?

One Conference is a youth camp organised by One Life Church. The event takes place at One Life Church in Pietermaritzburg. The invite for this camp is to everyone right across South Africa and every year we see exactly that. People form as far as Cape Town, Durban, JHB and Vryheid attend.

The aim of the event is to see those that have a relationship with Jesus encounter him further in times of worship, be encouraged, inspired and more hungry for God's Word, The Bible. And this is done through the preaching of the word from different pastors and guest across KZN.

For those teenagers that don't know Jesus and are maybe searching for answers or wanting to look in we are completely open to the camp being attend by those people and would encourage them to come along.

Included in this we understand that everyone likes having fun and so this we will do. We intentionally go out of our way to create an environment of as much fun as possible. From water slides to soccer tournaments to Xbox competitions, to challenges, to socialising we add it all in.

You might be asking will my children be safe? Yes they will be, we have adults attending the conference as well. We also have a paramedic and ambulance 🚑 on the property 24/7. In addition to that we have the boys staying in a completely different property to the girls. They will be staying at 27 Holder Road, which is another campus that belongs to One Life Church. The Grace Site.

Regarding food, we have Hamblin's Catering supplying the food. Accommodation is also provided should you want that option.

So what would our suggestion be?

Our suggestion would be, book the accommodation package, drop your children off on Wednesday afternoon with their bible, a notebook, some cutlery and crockery, some clothes and enjoy the quiet at home!!

Then on Saturday afternoon relieve us of the chaos that would have been the last 4 days or so

If you stay in PMB you can also book the non accommodation package and drop off and collect your children each morning and evening.
